Testimonials

"We are extremely pleased with the positive results that we've had from our three-page ad featured in The Catalogues. The positive feedback and resulting sales have been nothing less than stellar. I would highly recommend The Catalogues to promote any luxury product or service."

David Bloom, Manager
J. Gilbert Footwear

"Success in advertising can be measured by the number of clients that come into our showroom and specifically mention seeing our ad. That's the kind of response we've always gotten from The Vail-Beaver Creek Catalogue."

Roger Benedict, Owner
Ruggs Benedict

"For over seven years, The Santa Fe Catalogue has been a reliable advertising vehicle for our store. The format is focused, the quality is terrific and it provides the right environment for our ads. But, most important, our customers let us know they come in because they have seen our ad in The Catalogue."

Betty Kaye Gilmore
Antique Warehouse

"We are thrilled by the response we have gotten to our ads in the Vail-Beaver Creek Catalogue. We know that we have seen new customers who came in as a direct result of our ads. This is a terrific group to work with, and the results have been better than other magazines we have been involved in the past."

Frances Rolater, Owner
By Nature Gallery

"Many people told me that I should try The Santa Fe Catalogues. Finally, I did. I assumed that a full page was the only way to go. Six days after the publication came out, a gentleman gave me an order for three of my smoked platters. This more than paid for the entire year of beautiful publicity in The Santa Fe Catalogue. The only regret I have is that I didn't start advertising with them much earlier in my career."

Heidi Loewen, Owner
Heidi Loewen Porcelain

"We are very happy with the response we get from The Vail-Beaver Creek Catalogue. Last Winter we had five pages and we sold every product directly from our ads."

Amad Akkad, Owner
Lionshead Jewellers

"The results from our last two ads are unprecedented. In addition to the response to our ad in The Aspen Catalogue, we have had a lot of activity from our cross-market ad in The Vail-Beaver Creek Catalogue. One couple from Santa Fe was visiting Vail and drove to see us in Carbondale. We get consistent response to our ads in The Catalogue and the staff is always very helpful and accommodating."

Mary Matchael, Owner
Crystal Glass Studio

"We get response to specific items in our ads. That is why we feature several items in our ads, rather than just a store shot. We just had a call from a gentleman who has not been to Aspen, but had The Catalogue in hand and made the purchase over the phone."

John Francis, Owner
Chepita

"I know my ads in The Aspen Catalogue work because people come in often with The Catalogue in hand. In fact, they frequently come in with old ads — and I've seen some old ones! We're very pleased with our advertising in The Aspen Catalogue."

Laurie Crown, Owner
The Lighting Studio

"For the 13-plus years that I have been in retail in Aspen, I have always had the most tremendous response from our advertisements in The Aspen Catalogue."

Barbara Jax, Manager
The Golden Bough

"Through the years, The Aspen Catalogue has proven to be a targeted, focused and valuable marketing tool for our three galleries. Its sophisticated presentation is as beautiful as it is informative. We carefully select the artists and mediums to showcase what our galleries represent, and we always get specific response to the featured artists."

Terra Verstrand, Fine Art Consultant
Aspen Grove Fine Arts

"My ad in The Aspen Catalogue has been generating daily traffic. Not a day goes by without someone walking in with my ad. They come in asking to see the item featured and end up leaving with much more."

Jill Harbour Murphy, Owner
Misstyx

"In the 10 years that Joan Boyce Fine Jewelry has been in business, I attribute our success to fabulous jewels, an excellent staff and advertising in The Aspen Catalogue. Customers often come in, Catalogue in hand, and ask for specific pieces advertised. We have also received many phone calls through the years from customers who wanted information about pieces they saw in our Catalogue ads."

Joan Boyce
Joan Boyce Fine Jewelry

"Everyone comes in here clutching their Aspen Catalogue, so I know it is one of the best marketing tools available."

Cindy Griem
Cindy Griem Fine Jeweler

"Footloose has advertised in The Aspen Catalogue since 1978. Consistently, response to our ads has been extraordinary. And now, thanks to our interactive advertisement on thecatalogues.com, we are able to reach outside of the Aspen market and are selling product globally. For service, production and response in Aspen and beyond, The Aspen Catalogue cannot be matched."

Steve Degouveia
Footloose and Fancy Things

"It's the only print medium I know that works. I ask people that come into the store. Your publication is in front of a more affluent crowd. I don't know how you do it, but you get it in the right places."

THE ASPEN CATALOGUE

"I have been advertising in The Aspen Catalogue since we opened in 1973. It is the only publication we have advertised in that we have been able to track consistent response."

Shirley Kalnins, Owner, Le Tub

THE SANTA FE CATALOGUE

"For over seven years, The Santa Fe Catalogue has been a reliable advertising vehicle for our store. The format is focused, the quality is terrific and it provides the right environment for our ads. But, most important, our customers let us know they come in because they have seen our ad in The Catalogue."

Betty Kaye Gilmore, Antique Warehouse

THE SUN VALLEY CATALOGUE

"The response we've had from our full page ad in The Sun Valley Catalogue has been spectacular...we've had a stronger response from that one image than any other advertising we have done in years. We made the decision to advertise in The Catalogue due to its superior presentation and distribution, and we highly recommend it for businesses that want to appeal to the connoisseur with the most refined of tastes."

Kelly Daluiso, Kneeland Gallery

THE VAIL-BEAVER CREEK CATALOGUE

"I have to carefully select the products we display in The Vail-Beaver Creek Catalogue because the response to the ad is so good, we always sell out."

Pete Cook, Marketing Manager, Beaver Creek Sports and Vail Sports
